

“CONTINUING OUR GROWTH...BUILDING OUR FUTURE”

April 25-26, 2015

Issue #3

This is Volunteer Weekend!

Be a part of this exciting project! Everyone's help is necessary if *“Continuing our Growth...Building our Future”* is going to be successful, so you are all encouraged to fill out a Volunteer Card and assist on this campaign. St. Perpetua is a giving, generous community with a wonderful spirit, and your participation will help make our new Social Center become a reality!

Join the nearly twenty individuals - parishioners and school parents - who are already involved and volunteer some time to help *“Continue our Growth...”* A few highlights about the role of a volunteer:

- It's a great opportunity to meet more members of your St. Perpetua family.
- The time commitment to assist on the campaign is just **six-seven weeks**, for just a few hours per week.
- You can play an integral role in passing on our parish's tremendous legacy from this to future generations.

Your assistance is **always** appreciated and will be very beneficial, so if you would like to help and did not complete a Volunteer Card, please contact Fr. Kasper (283-0272).

Campaign Leadership Team in place!

The members of our campaign Leadership Committee are listed below. We thank these members of our church community for their commitment to St. Perpetua and offer our prayers for the campaign's success.

Pledges Received!

After just a couple of weeks, we have already received gifts to the *“Continuing our Growth...Building our Future”* campaign. These early indications of generous support reinforce our belief that we will enjoy a great success!

As we begin to reach out to the entire parish family, a number of you will be contacted in the next few weeks, and our ultimate goal is to reach the entire St. Perpetua community by the end of June. When you are contacted, we encourage you to welcome your fellow parishioners as representatives of both Fr. Kasper and St. Perpetua.

We ask you to think about the commitment of the parishioners that have preceded us, reflect upon the meaning of St. Perpetua in your own life, and consider the significance of this gift to our current parish family as well as the generations to come.
